# WHO WE ARE

Habitat for Humanity is an ecumenical Christian organization dedicated to the idea that all people deserve a safe and decent place to live.

The homes we build are completed almost solely by volunteers and are funded by individuals, churches, organizations, and foundations.

Lubbock Habitat builds a certain number of houses per year, but it is always looking to grow and depends on the community to sustain that growth.

Our volunteers and partners come in all forms, from individuals and businesses looking to serve, to CTE programs teaching children valuable trade skills.

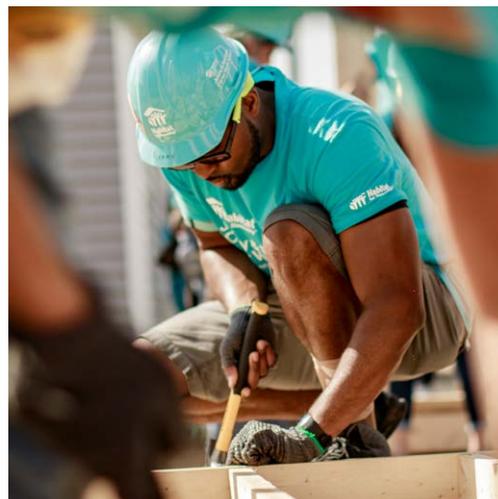

## 2022 BLITZ BUILD

Each September on Labor Day, Lubbock Habitat launches the Blitz Build. This event brings together a large and diverse group of volunteers from the entire community including employee groups, churches, student organizations, and civic groups.

In 2022, Lubbock Habitat hopes to build four houses in twelve days beginning September 5, 2022. Planning is now underway!

Please review this sponsorship packet which highlights ways your company, church, or organization can become involved and help make home ownership a reality for local families.

## WHO BUILDS HOPE?

### Apostles

A Lubbock Mission. Churches from across Lubbock will come together to not only build a home, but to build in faith.

### Women

Women empowering others. Women's organizations will have the opportunity to support each other while supporting a family through homeownership.

### Students

Universities and student organizations have always been the heartbeat of Lubbock Habitat construction. The Blitz is a great opportunity to put students to work helping others.

### Employee Groups

Building Habitat houses together builds teams. Nothing brings coworkers, employers, and employees together like Habitat for Humanity. Working on the 2022 Blitz can transform your company or organization.

### Community

Any individual who is at least 18 years old can help build a Habitat house, even if they are completely unskilled. The Blitz can be a great project for empty nesters or single adults who have a heart to serve. Spending a vacation day or a Saturday helping Habitat is truly transformative.

### Civic Groups and Professional Organizations

From the Rotary and Lions Clubs, to Junior League and Ambucs, local clubs and groups have always supported Habitat, and will come together starting Labor Day to serve like never before.
